How to become a Qualified *Resident or Affiliated league*

Local organizations that meet the following criteria are considered a Qualified Resident or Affiliated League.

1. A non-profit organization recognized and in good standing in the state of Illinois
2. Holds open registration that includes Deer Park residents. Registration must be advertised in methods that it would be reasonable Deer Park residents would be informed about the registration. Promotions through local schools or newspapers are examples that would qualify. Just having a Deer Park resident participating in the organization, does not meet this criterion.
3. Organization willing and able to take over responsibility of maintaining the Field(s) they use, and agree to assist in further developing Field(s) for use per Qualified Resident or Affiliated League Agreement.
4. Have completed and properly executed a Qualified Resident or Affiliated League Agreement.

If your organization meets the first three criteria, you may request a Qualified Resident or Affiliated League Agreement by contacting the village office.
