Hello, this is Scott Gifford, President of the Village of Deer Park. I am calling to remind you about the meeting on Wednesday, August 27th at Barrington High School between 4:00pm - 9:00pm., that federal regulators are holding to hear community concerns about Canadian National's proposed acquisition of the EJ&E line that runs through our town.

This will be the LAST chance we have as impacted community members to tell the Surface Transportation Board, in person, that this deal is not good for the region. The public needs to send an **OVERWHELMING MESSAGE OF OPPOSITION, AND THAT CAN ONLY BE DONE BY HAVING A HUGE TURN-OUT OF CONCERNED CITIZENS.**

This is a must attend meeting for every Barrington area resident who cares about our future.

There will be shuttle buses from Barrington High School to and from remote parking areas, including the commuter station, as well as parking at the High School. Please go to www.barrington-il.gov for more detailed parking and shuttle information and to see the top 20 problems with the Draft Environmental Impact Statement to better inform yourself of the issues for your comments.

Thank you for your attention and citizenship.

To listen to the above message, you will need audio software and speakers on your computer.
