Winter Storm Advisory

This is Deer Park Village President Scott Gifford. I am calling at the request of the Lake County Emergency Management Coordinator with a advisory message. Due to expected winter storm conditions, the county urges you to avoid all non-essential travel on area roadways Friday morning. Travel will be difficult, especially in open and rural areas. We need to keep roads open for emergency vehicles and snow removal operations.

Due to this storm, it is likely that the Village Office will not be open Friday. Monitor local news channels for ongoing storm updates. If necessary, you may contact our snow removal service via the link on our website www.village.deer-park.il.us and don't hesitate to call 911 if an emergency arises.

Thank you for your cooperation in helping to keep you safe.

To listen to the above message, you will need audio software and speakers on your computer.
