

CHAPTER 54: VILLAGE ELECTRICITY AGGREGATION PROGRAM

Section:

§54.01	Definitions
§54.02	Aggregation of Electrical Load
§54.03	Opt-Out Program
§54.04	Adoption of Plan of Operation and Governance for the Electricity Aggregation Program
§54.05	Solicitation of Bids

§54.01: DEFINITIONS

For the purposes of this Chapter, the following terms shall have the following definitions:

“Act” shall mean the Illinois Power Agency Act, 20 ILCS 3855/1-92, as may be amended from time to time.

“Customer” shall mean recipients of residential and small commercial retail electric loads as provided in the Act.

“Electricity Aggregation Program” shall mean a program pursuant to the Act for the aggregation of residential and small commercial retail electric loads located within the corporate limits of the Village that provides customers with the opportunity to opt out of participating in that program as provided in the Act.

§54.02: AGGREGATION OF ELECTRICAL LOAD

- (A) The Corporate Authorities of the Village are authorized to operate an Electricity Aggregation Program pursuant to the Act and for that purpose may solicit bids and enter into service agreements to facilitate the sale and purchase of electricity and related services and equipment for those loads aggregated pursuant to the Electricity Aggregation Program as provided in the Act.
- (B) The Corporate Authorities of the Village may exercise the authority to operate the Electricity Aggregation Program jointly with any other municipality or county and, in combination with two or more municipalities or counties, may initiate a process to jointly authorize the Electricity Aggregation Program by a majority vote of each particular municipality or county as required by the Act.

§54.03: OPT-OUT PROGRAM

- (A) The Electricity Aggregation Program shall operate as an opt-out program whereby Customers who do not wish to participate in the Electricity Aggregation Program may opt out pursuant to the Act.
- (B) The Village President, or his designee, on behalf of the Village, shall fully inform residential customers and small commercial retail customers of the Village in advance, as provided in the Act, that Customers have the right to opt-out of the Village Electricity Aggregation Program. The disclosure provided to the Customers shall comply with the requirements of the Act and

shall prominently state all charges for electricity service to be made and shall include full disclosure of the cost to obtain service pursuant to Section 16-103 of the Public Utilities Act (220 ILCS 5/1-101, et seq.), how to access service, and the fact that service under Section 16-103 of the Public Utilities Act is available to Customers without penalty if they are currently receiving service under Section 16-103 of the Public Utilities Act.

- (C) Upon notification from any Customer that the Customer wishes to opt out of the Electricity Aggregation Program, that Customer shall be excluded from the Electricity Aggregation Program.
- (D) Except for those Customers who opt out of the Electricity Aggregation Program pursuant to this Section 5-54-3 and the Act, the Electricity Aggregation Program shall automatically apply for each person owning, occupying, controlling, or using an electrical load center proposed to be aggregated in the corporate limits of the Village.

§54.04: ADOPTION OF PLAN OF OPERATION AND GOVERNANCE FOR THE ELECTRICITY AGGREGATION PROGRAM

- (A) The Corporate Authorities of the Village, with the assistance from the Illinois Power Agency as required pursuant to the Act, shall develop and approve a Plan of Operation and Governance for the Electricity Aggregation Program.
- (B) Before adopting the Plan of Operation and Governance required under this Section and the Act, the Corporate Authorities shall hold at least two public hearings on the proposed Plan. Before the first public hearing, the Corporate Authorities shall publish notice of the hearings once a week for two consecutive weeks in a newspaper of general circulation in the Village. The notice shall summarize the Plan of Operation and Governance and state the date, time, and location of each hearing.
- (C) The plan of operation and governance for the Village's Electricity Aggregation Program shall:
 - (1) Provide for universal access to all applicable residential Customers and equitable treatment of applicable residential Customers,
 - (2) Describe demand management and energy efficiency services to be provided to each class of Customers, and
 - (3) Meet any requirements established by law concerning aggregated service offered pursuant to the Act.

§54.05: SOLICITATION OF BIDS

The process for soliciting bids for electricity and other related services and awarding proposed agreements for the purchase of electricity and other related services for the Electricity Aggregation Program shall be conducted pursuant to the Act.”
